Women Empowerment Scheme

1. Programs Skill Development:

Vocational training in sectors like tailoring, handicrafts, beauty and wellness, computer literacy, agriculture, food processing, and more. Entrepreneurship training to encourage women to start small businesses or self-help groups (SHGs). Workshops on financial literacy, bookkeeping, and business management to help women manage their businesses or savings effectively.

2. Employment Opportunities:

Collaborations with local businesses and industries to create job placements for women who have completed skill development programs. Promoting self-employment opportunities through access to micro-loans and other financial services. Facilitating home-based work options for women, such as sewing, embroidery, or other crafts that can be done alongside household responsibilities.

3. Financial Aid and Microfinance:

Microfinance initiatives or linking women to government schemes such as MUDRA loans (Micro Units Development & Refinance Agency) that offer financial support for starting small businesses. Partnerships with banks or financial institutions to provide easy access to credit for women entrepreneurs. Organizing savings groups or cooperatives where women can pool resources for collective investments in small ventures.

4. Social and Community Support:

Establishing Self-Help Groups (SHGs) to empower women to come together, save money, and invest in small-scale businesses. Creating support networks for women where they can share knowledge, resources, and mentor each other. Awareness drives on women's rights and gender equality to foster a supportive environment for women's development.

5. Workplace and Digital Literacy Training:

Training women in computer literacy, e-commerce, and digital marketing to enable them to participate in online markets. Encouraging women to use technology for marketing and selling their products through platforms like Amazon, Flipkart, or through social media.

6. Handicrafts and Traditional Skills Promotion:

Focusing on the revival and commercialization of traditional skills like weaving, pottery, or handicrafts. Facilitating market linkages to sell products both locally and internationally, including exhibitions and fairs.

7. Health and Welfare Initiatives:

Offering health awareness programs and basic healthcare to ensure that women are physically fit to pursue employment. Providing childcare support to enable women to balance work and family responsibilities.

8. Self-Employed Women's Association (SEWA)

A well-known initiative that works on providing employment and social security for women in the informal sector.

9. Mahila Arthik Vikas Mahamandal (MAVIM):

A government initiative in Maharashtra that works for women's empowerment through micro-finance and employment opportunities.

10. Stree Shakti Program :

A Karnataka government initiative that empowers women by forming SHGs and supporting entrepreneurship.

Welcome To **Youth Unemployment Support Scheme**

Trust would typically aim to address the issues of unemployment by providing financial support, skill development, and job placement opportunities to unemployed individuals. The initiative might focus on specific communities, such as youth, women, or marginalized groups, to improve their employability and ensure sustainable livelihoods.

1. Skill Development and Training
2. Job Placement Services
3. Financial Support or Stipends
4. Entrepreneurship Support
5. Career Counseling and Guidance
6. Handicrafts and Traditional Skills Promotion
7. Health and Welfare Initiatives
8. Self-Employed Women's Association (SEWA)
9. Role of a Trust in Implementing Berojgari Yojana

Marriage support scheme

Woman Marriage Yojana by a Trust

We Provide Worldwide Kanyadaan Service to Get Married

PUSPANJALI TRUST is a trust NGO for poor girl marriage, mainly to perform the "kanyadaan" of daughters whose families can't afford a wedding. We try to support the girl and her family by bearing the expenses of the wedding and demolish dowry and suicide due to lack of funds for marriage.

We believe that no girl should be treated as a burden just due to her marriage expense. we aim to provide all the funds required for a wedding and help such families and brides. According to us a kanyadaaner is a greater person than a person who performs kanyadaan because he is donating for the person to perform the most auspicious ceremony.

Medical Support Scheme

Health Support Yojana by a Trust

Providing financial aid for medical treatments, surgeries, or medications for low-income individuals or families. Setting up mobile health clinics to reach remote or underserved areas, offering basic medical services, screenings, and vaccinations.

Role of a Trust in Implementing Health Support Yojana

- **Resource Mobilization:** Securing funding through donations, grants, and partnerships with corporations and government bodies.
- **Community Engagement:** Involving community members in planning and implementing health initiatives to ensure relevance and sustainability.
- **Monitoring and Evaluation:** Continuously assessing the impact of health programs, gathering feedback, and adapting strategies for better outcomes.
- **Ayushman Bharat Yojana:** A government health scheme providing insurance coverage for economically vulnerable families.
- **Integrated Child Development Services (ICDS):** Programs focused on health and nutrition for children and mothers, offering various support services.
- **Non-Profit Organizations:** Organizations like Doctors Without Borders and Partners In Health that provide medical assistance and health education in underserved areas.

PUSPANJALI TRUST

Scholarship Yojana by a Trust

Providing tuition fee coverage for students in schools, colleges, or vocational training programs. Offering stipends for books, materials, and other educational expenses to ensure students can fully participate in their studies.

Role of a Trust in Implementing Scholarship Yojana

- **Fundraising:** Raising funds through donations, grants, and partnerships to sustain the scholarship program.
- **Community Engagement:** Involving local communities in promoting the scholarship program and identifying deserving candidates.
- **Impact Assessment:** Continuously evaluating the program's success and making adjustments based on feedback and outcomes.

Child development Scheme

Providing scholarships or financial aid for children from disadvantaged backgrounds to pursue education. Organizing tutoring and mentoring programs to enhance academic performance and skills.

Offering vocational training programs tailored to local job markets, such as tailoring, carpentry, or IT skills. Facilitating workshops on entrepreneurship to empower individuals to start their own businesses.

Role of a Trust in Implementing Val Vikash Yojana:

- **Resource Mobilization:** Securing funding through donations, grants, and partnerships to support the various components of the scheme.
- **Community Engagement:** Involving local communities in the planning and execution of programs to ensure they meet the specific needs of the population.
- **Collaboration:** Partnering with other NGOs, government agencies, and local businesses to enhance the effectiveness of the initiatives.

Fundraising Ideas for a Trust

► Online Crowdfunding:

Use platforms like GoFundMe, JustGiving, or Kickstarter to create a campaign detailing your trust's mission and funding needs. Share the campaign on social media and email to reach a wider audience.

► Charity Events:

Organize events such as charity runs, walks, or marathons where participants collect sponsorships. Host gala dinners or luncheons where attendees pay for tickets, and proceeds go to the trust.

► Steps to Organize a Fundraiser:

1. Define Goals: Set a clear fundraising target and outline how the funds will be used.
2. Create a Plan: Develop a detailed plan outlining the type of fundraiser, timeline, budget, and roles for volunteers.
3. Promote the Event: Use social media, email newsletters, flyers, and local media to promote the fundraiser. Share stories of the trust's impact to connect with potential donors emotionally.
4. Engage Volunteers: Recruit volunteers to help with planning, logistics, and promotion. Empower them to take ownership of specific tasks or initiatives.
5. Thank Donors: After the fundraiser, send thank-you notes or emails to all donors and participants. Share the results of the fundraiser and how the funds will be used.
6. Evaluate the Fundraiser: Analyze what worked well and what could be improved for future fundraising efforts. Gather feedback from participants and volunteers.
